PERIODIC INTEREST WITHDRAWAL AUTHORIZATION

TAX WITHHOLDING ELECTION

Your withholding election will remain in effect until it is revoked by you. Please consult your tax advisor, if needed, before making a withholding election.

We will withhold federal income taxes at a minimum rate of 10% of the taxable portion of the distribution and forward that amount to the Internal Revenue Service (IRS) on your behalf. Alternatively, you can elect not to have taxes withheld from the distribution. If federal withholding of less than 10% is requested or if no election is made, the distribution will be processed with 10% withholding.

In addition to federal income tax withholding requirements, state income tax, if applicable, will be withheld. Please note, there is no state income tax withholding for the following states: **AK, FL, NV, NH, SD, TN, TX, WA, WY**. In addition, Sagicor does not process state income tax withholding for the following states: **NY** and **CT**. For these states, Sagicor will not withhold state taxes even if you elect to do so. Choosing not to have either federal or state (if state is applicable) income taxes withheld may result in income tax liability when your taxes are filed. Consult your tax advisor for more information.

 - If state income tax withholding is voluntary based upon your address of record and you do not make an election, we will not withhold state income taxes from your distribution.
 - If your request results in a withholding amount that is less than the minimum amount your state will accept, we will not withhold state taxes from your distribution.
